## Current Research Interests

Small-scale industries, Technology, Employment, Trade and Policy  
aspects of Industry, and Institutional and Political Economy of Reforms  
and Economic Performance of India.

Along with the research, I have been giving lectures in the area of  
Industrial Economics and Quantitative Methods to Indian Economic  
Service (IES) Probationers, and other training programs conducted by  
the Institute from time to time. For the past two years organising a  
training programme on "Quantitative Techniques in Economics" for In-  
service Indian Statistical  
Service (ISS) officers.
